Research Experience

Research Mentee

2022 – Present

Istanbul Ticaret Universitesi, Department of Economics · Türkiye Supervisor: Dr. Godwin Oluseye, Assistant Professor

- Collated and merged extensive datasets on aid and economic growth from World Development Indicators.
- Applied wavelet coherence analysis to study the relationship between foreign aid and institutional stability in Afghanistan, identifying key periods of volatility and policy effectiveness.
- Conducted comprehensive literature reviews on foreign assistance, government effectiveness, and political violence.

Research Assistant

2020 – 2021

University of Ilorin, Department of Economics · Nigeria Supervisor: Dr. Sa'ad Akanbi Babatunde, Assistant Professor

- Applied two-step Generalized Method of Moments (GMM) to analyze the impact of monetary policy on economic performance across 45 Sub-Saharan African countries.
- Implemented Arellano-Bond GMM estimator in Stata 14.

Professional Experience

Macroeconomic Research Analyst

Apr 2023 – Aug 2025

RiseVest Technologies Limited · Nigeria

- Led a team of 5 analysts developing quarterly macroeconomic forecasts for the U.S. economy, improving GDP forecasting accuracy by 15%.
- Built and maintained time-series models using structural vector autoregression (SVAR) in Stata and R to forecast inflation, trade balances, and GDP growth.
- Prepared monthly earnings updates for investors, contributing to a 20% increase in client satisfaction with macroeconomic insights.

Research Analyst

Sept 2021 – Feb 2023

Gifted Analysts Research · Nigeria

- Conducted macroeconomic analysis of Nigeria's domestic economy and selected African countries.
- Developed macroeconomic models for CPI and GDP forecasting, reducing forecast errors by 10%.
- Authored monthly inflation and GDP updates providing actionable insights for policymakers and investors.
